

BIBLE BASICS CLASS

This class is designed for ages K-4th grade with an emphasis on worship. This is not another Sunday school class, rather it will be a time spent worshipping; singing, praising, reading scripture, crafts, etc. It will take place after the children's message each Sunday, where the children will be dismissed and led to the Faith Center where the class will be held. All this is to make our Sunday worship time more meaningful for our youth. The youth will be returned to the sanctuary during times of Communion and Baptisms, etc. so as to include and educate them in our traditions.
